Action Alert! Targeting Women in the US House on DXA

HR 2461 Increasing Access to Osteoporosis Testing for Medicare Beneficiaries Act of 2015 was recently presented in the US House. We are asking for your help to contact female members of the House on how crucial HR 2461 is for women's bone health.

Please visit our website sdsrt.org for further information and a link to email members of the house.

CONGRATS!!

To Mitchell Tech and Avera Sacred Heart Yankton Radiology Students Class of 2015 who graduate this month! Best wishes to all of you in your bright futures!
