

**SDSRT Life Member Induction**  
**April 29, 2011**

The SDSRT welcomed its newest Life Member Mitzi Drey at the Annual Conference Awards Banquet on Friday, April 29th. She's been a member of the ARRT since 1974, a member of the SDSRT and Siouland Society since 1976, a member of the ASRT since 1986, an SDSRT Affiliate Delegate and Treasurer, an ASRT Chapter Delegate, has been on the ARRT commissions Board, has been involved with the ASRT Practice Standards Council, Research Advisory Panel and Grassroots Network, Has attended SDSRT Conferences since 1976, has attended RT in DC in 2005, 2008 and 2011, and has attended multiple ASRT Conferences.

Mitzi shows what it means to have passion and dedication for our profession. She coordinates educational opportunities and events available to fellow technologists in the area and offers students a guiding hand in her role as Lead Technologist in the Sanford USD Medical Center Interventional Radiology Department. She has also been influential in the restructure and promotion of the SDSRT Student Mentor Program. Mitzi continues to be a valuable resource when we are in need of advice, guidance, an open ear or a lending hand.

Congratulations on your accomplishments, Mitzi! We are proud of you and are honored to have you as SDSRT's newest Life Member!
