**MEET THE SDSRT ASRT SECRETARY:**

**Tina Scott B.S. R.T.(R)(T)**

Tina was born and raised on a beef and dairy farm on the eastern side of the state. She started her Radiations Technology degree at University of Sioux Falls and finished with bachelors upon completing the Mayo Clinic School of Health Sciences Radiography School. With school still in mind, she finished one year of Mayo Clinic School of Health Sciences Radiation Therapy School. Following graduation, Tina adventured to Rapid City Regional Hospital Cancer Care Institute and has been there for the past 15 years. She also looks after the Mitchell Institute Technical Radiations Therapy Students during their clinical rotation at the Cancer Care Institute.

Tina is married to a rancher and has 3 blonde kid's ages 10, 8 and 5, in her free time she likes to run, ride horse, be the soccer mom and just enjoying the great outdoors.

Tina has been honored to serve as the SDSRT Secretary. This year has taught and awarded her with so much knowledge about what great professions we all have choose. She has goals of growing her responsibilities with the SDSRT in the future and working with great people in this organization.

**PG. 1 MEET THE SECRETARY**

**PG. 1 IMAGE WISELY**

**PG. 2 NOTE FROM PRESIDENT**

**PG. 2 SIOUXLAND SOCIETY**

**Note from the President.....**

Greetings SDSRT Members!

I hope this newsletter finds you all settling into the New Year and staying warm. With a new year comes a new legislative session. The SDSRT Legislative Committee has reviewed the schedule for this year's Legislative Session and found nothing that directly pertains to our profession. They will continue to review information and share it with the membership as it becomes available. As always, if anyone has any information, questions, or would like to participate in our Legislative Committee please contact one of the board members.

By now, plans are well under way for the 2018 SDSRT state conference. This year's theme is Creating Connections – Building Bridges (Together for 70 Years) and it will be held April 26<sup>th</sup>-28<sup>th</sup> at Minerva's Convention Center in Yankton, SD. Conference registration and a full conference schedule will be available mid-February on our website ([www.sdsrt.org](http://www.sdsrt.org)). You can renew your annual membership while you're on our website as well.

Also, please take a minute and renew your pledge to Image Wisely for 2018! By doing this, you are pledging to continue our commitment for safe imaging and ensure that adult patients receive only necessary and safe medical imaging procedures.

Susan Pritchard MBA RT(R)(CT)
