Image Wisely pledges expired December 31st, 2017. Please renew your pledge of Radiation Safety in Adult Medical Imaging today.

MEET THE SDSRT ASRT DELEGATE:

Megan R. Gilbertson R.T.(R)(M)(CT)

Megan was born and raised on a cattle ranch in Western South Dakota. After graduating from Bennett County High School in May of 1995, Megan enrolled in the Radiology Technology program at Sioux Valley Hospital School of Radiologic Technology (now Sanford Health). In July 1997, Megan successfully graduated from the Radiologic Technology program and started her career in Canby, Minnesota.

Since graduation, Megan has accomplished additional registry qualifications in Mammography and Computerized Tomography (CT). Along with these advanced modality registrations, She is also cross-trained in Diagnostic Ultrasonography.

With the exception of 6 years as the Radiology Manager at the Hendricks Hospital, Megan has been employed with Sanford Health, currently in a Radiology leadership role at the Sanford Clear Lake Medical Center.

Megan has been honored to serve the Radiology Technology profession as a conference chairperson, the SDSRT President-Elect, President, Chairman, and now as an ASRT Delegate. Each position has taught and awarded Megan with so many things. She is grateful for the experiences and networking the SDSRT has benefited her. She says it is humbling to work with great people across the state in being stewards of our great profession.

Note from the President.....

Happy New Year!

I hope everyone has found the first few days of 2018 to be happy and healthy. This is a great time to get in your membership renewal for 2018. There are two ways of doing this; one would be to fill out the membership form we sent in the mail or visit our website at sdsrt.org and electronically submit your renewal with the use of PayPal.

We ended 2017 with our annual election of new board members. We did online voting again this year via Election Buddy. We would appreciate any feedback you may have with online voting to help us determine how to precede for future elections.

With that being said, we do have a few positions on the board that will be filled with new faces in April.

President-Elect: Bob Hagan

Vice President: Sean Bortnem

Secretary: Jenna Vavra

Treasurer: Chad Borns

ASRT Delegate: Tracy Iversen

Student Intern: Rhonda Goodfellow (Rapid City Regional Student)

Caitlin Rittberger (Rapid City Regional Student)

Keep your schedule open for the annual SDSRT conference in Yankton this year. This year's theme is Creating Connections – Building Bridges (Together for 70 Years) and will be held April 26th-28th at Minerva's Convention Center.

Susan Pritchard MBA RT(R)(CT)

SDSRT President
