**ASRT NEWS**

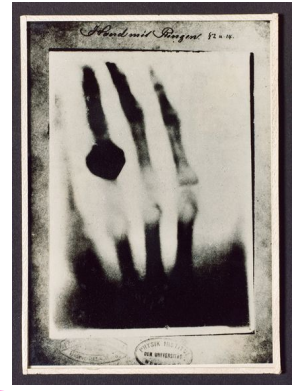

*In June, the ASRT decided to dedicate over \$1 million to affiliates in the next 3 years. This will provide \$5,000 instead of the \$4,000 we currently receive to go towards our affiliate initiatives. They also plan to remove the requirement of having two alternate delegates at the HOD along with paying for insurance coverage for the society. This program is called the Affiliate Financial Assistance Program. For more information, please visit the site listed below.*

**In the Mail**

Check your mail to see one of our very own SDSRT members who will be featured on the front page of the ASRT Scanner. The Scanner is a publication sent out by the ASRT periodically and Sharon Wartenbee will be the face of this edition. Sharon was recently awarded with the prestigious award of Life Member of the ASRT. We are very proud of Sharon and all of her accomplishments! Congratulations Sharon!

National Radiologic Technology Week is approaching soon and the ASRT wants us to be ready for a week full of fun celebrations. This week is held the week of November 8<sup>th</sup> each year and recognizes us as R.T.s across the United States. Be thinking of what your departments want to do so you are ready when the week gets here! If you need help with ideas check out the ASRT website! Also, we love to see what everyone does for the week so make sure you are sharing pictures of how you celebrate!

**Congratulations** to the Avera McKennan radiology class of 2018! They recently graduated on August 17. Good luck in all of your endeavors in the future and we wish you the very best!

You did it!  
*Congratulations*

*Brandon Ronning*  
*Cathy Doan*

*A big congratulations to our wonderful, outgoing student interns on their recent graduation from the Avera McKennan program. We appreciated all of your hard work and will miss you dearly. You are both leaders and will continue to make the SDSRT proud. Thank you and*
