

ASRT NEWS

The ASRT is continually working for the radiologic technology profession. They recently gave an update on the states who have recently made changes to their legislative and regulatory activities. To read more about states which have had recent updates, please visit the ASRT website listed below.

Also, for those who are members of the ASRT, they are offering a free 1.5 credit webinar on Nov. 8th. This is a webinar created for you as the technologist to celebrate National Rad Tech Week. The webinar is titled: "PACS and Enterprise Imaging for Technologists."

Fall Retreat Held

The SDSRT Board Members got together for their annual fall retreat on Saturday, October 13th. This was a one-day meeting held at Cedar Shore in Chamberlain. All members of the board were present, and a lot of new information was discussed. Big topics that the board is tackling right now include: new advertising available on the sdsrt.org, advocacy for new members into our society, and the biggest task was looking over proposed By-Law changes which will be available to the membership soon. We as a board discussed many ways to update our board member criteria and duties along with designating mentors to new board members to make the transition onto the board that much easier for those who have never served a position. The students also had some wonderful ideas on how to give back to the society and they are taking the lead on National Rad Tech Week so watch for a fun game in November where prizes are given away!! We also have decided to change up our social media content a bit and post onto our Facebook page every Monday, Wednesday, and Friday so keep an eye out for those posts as well. There are many changes that the board is very excited to work on. Please contact any of us if you have any questions or concerns. The entire board meeting minutes are on our website at sdsrt.org if you would like to take a detailed look at what was discussed.

National Radiologic Technology

Week Nov 4-10

NRTW of 2018 is approaching us very quickly!

Are you ready to celebrate?

The SDSRT student interns are excited about their competition that they are hosting with some great prizes on our Facebook page so make sure you are following us! Connect with us and show the society how you are celebrating!

Recognition of Service

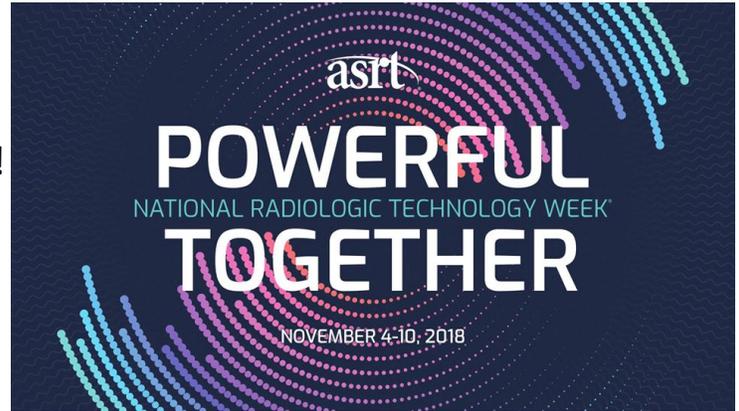

The SDSRT would like to recognize Tracy Iversen of Rapid City for the hard work and dedication that she has given to the SDSRT Board. Tracy has dedicated many years to the radiology profession and has been an active member in the SDSRT which recently included serving as ASRT Delegate. Thank you for your passion and we wish you the best in your endeavors.

Advertising Now Offered

The SDSRT is now offering advertising options to our website sdsrt.org. Do you have an upcoming conference or a business that you would like to advertise to the radiologic technologists of South Dakota? We are now able to provide just that for you! Advertising boxes may be purchased by contacting any board member for more information.

Current prices per month include:

2x2 box	\$20 Monthly
2x4 box	\$40 Monthly

Social Media

Be on the look-out for new information on our Facebook page. We are now designating our days to provide more information to you, the members.

Mondays: What's new on the business side of things in the radiology world?

Wednesdays: Spotlight! Shining light on those who are making waves in radiology

Fridays: Fun Friday! Continuing our fun posts about radiology

MRI White Pages

The ASRT now has an article titled: *Radiologic Technologist Best Practices for MR Safety*. This is a white paper produced by the ASRT to help encourage and answer questions about patient safety in MRI. With the increasing number of MRI exams being performed, safety is the number one priority. Visit the ASRT for more details on this helpful article.

Ballots

Nominations are in! Watch for an email from Election Buddy for your 2018 election ballot coming in November. You may have to check your junk mail.
