Reason for being involved in the SDSRT:

I believe that each and every radiologic technologist has a professional obligation to make a positive impact on their field. I do all I can to advance the profession and make South Dakota a great place to work for technologists. I would like make an even greater impact by serving as the Vice President of the SDSRT in the coming years. State level organizations are critical for promoting quality radiographic services and improving the patient experience. The SDSRT is responsible for helping advance imaging practices in South Dakota and providing quality continuing education. I would be honored to help in these efforts.

Before signing this application, you should have your employer's endorsement to devote the necessary time to perform the duties assigned to you by the Board of Directors.

X

Sean Bortnem BSRT(R)(CT)
Radiology Manager
