## WHAT'S HAPPENING IN SD?

The Siouxland Society of Radiologic Technologists 2015 Fall Educational Seminar is happening this month on Saturday the 19<sup>th</sup>. It will be held at the Prairie Center, Avera McKennan 1000 E. 23rd Street, in Sioux Falls. Hope to see you there!

## South Dakota Radiologic Technologists and Meaningful Use

A Public Hearing for the SD Health Department Rules adding definition for Licensed Professional for CPOE to include Registered Radiologic Technologists was held August 26<sup>th</sup> with many representatives present supporting the proposed rule. Support our profession by sending in a letter of support! SDSRT President Ben Davis e-mailed all SDSRT members a support letter that can easily be filled out and sent in. See our website [sdsrt.org](http://sdsrt.org) for more information!

## Yearly Screening Effective for Lung Nodules

An annual low-dose CT could be an effective way to spare patients from unnecessary surgeries. Read more about this article and many more at [asrt.org](http://asrt.org)!

## CONGRATS!!

To Avera McKennan Radiology Students Class of 2015 who graduate this month! Good luck to all of you!
