## Minutes

### 1) Old Business

- In November we had discussed the CD that would mature in January and it was decided to reinvest. However, after the CD matured on 1/22/16, rates were very low and the money was put in savings. Susan will wait for a better rate and then place \$10,000 back into a CD at that time.

### 2) New Business

- Treasurer's Report was presented. Financially, our district society is sound and we will have funds to continue the scholarships and host the annual conference.
- Siouxland scholarship recipients will be announced at the March meeting
- The Siouxland society is hosting the 2017 SDSRT Annual Conference. We will need to start discussing this and organizing committees. Kevin Lawrence and Sharon Wartenbee have been working on a site.
