

SIouxLAND SOCIETY OF RADIOLOGIC TECHNOLOGISTS

Date: 2/9/17

Time: 7:00

Location: Sanford USD Medical Center

Meeting called by: Gwen Wawers,
Siouxland President

Type of meeting:
Siouxland Society

Number of Attendees: 29

Speakers: Dr. Meredith and Dr. Matt Hayes, "Capabilities of New MSK Software"

Minutes

1) Old Business

- The conference committee met prior to the Siouxland meeting. The conference is April 27-29, 2017 at the downtown Holiday Inn . Everyone is encouraged to solicit door prizes and Kevin will be sending out letters to our vendors. The Siouxland Society will be sponsoring the vendor appreciation lunch and the student bowl. We are still in need of a couple speakers, so if anyone has recommendations for topics/speakers, please contact Kevin Lawrence know.
- At the last meeting, it was decided to pay for 2 technologists to attend the SDSRT conference, but after further discussion we will not do this. It was suggested possibly paying for the officers ASRT membership because they do put in a lot of extra time and it may serve as an incentive to get people to run for office. This will be discussed at a future meeting.

2) New Business

- Gwen participated in the region two conference call. She reported that many states with licensure are currently fighting repeals of their licensure. She will keep up apprised as this develops.
- Gwen encouraged everyone to go on the Image Gently & Image Wisely websites and take the pledge and print the certificate.
- The students recipients of the Siouxland scholarships were Kiley Wolles from Avera McKennan, and Leah Wuebben from Sanford. Congratulations to these students!
- We will not be having a March meeting due to having an extra meeting in the fall.

Additional Information

Special notes: Next Society Meeting will be held
