

SIOUXLAND SOCIETY OF RADIOLOGIC TECHNOLOGISTS

Date: November 5th, 2013

Time: 7:00

Location: Avera Heart Hospital

Meeting called by: Renee Langin

Type of meeting:
Siouxland Society

Number of Attendees: 26

Minutes

- 1) Old Business
 - a. This past Fall Seminar was discussed. With Avera having done a Cancer Symposium about this time for the last couple of years and attendance dwindling, we questioned whether to continue to recruit speakers for future Siouxland Society Fall Seminars. The vote was in favor of not continuing the Fall Seminar in the future with the note that we would support, including helping with funding, any group wanting to organize a continuing education meeting.
- 2) New Business –
 - a. We welcomed the new first year students in attendance from both Avera and Sanford Radiologic Technology Schools.
 - b. National Radiologic Technology Week was celebrated with desserts and coffee for everyone. The official Proclamation of NRTW was picked up from the Mayor at the City Council meeting earlier that evening.
 - c. A motion was made by Renee, and seconded by Beth Weber, to award 2 \$500. Scholarships, again this year, to a student from each of the 2 local Radiologic Technology Schools. Second year students were informed that they must complete an application on line through the SDSRT website, Siouxland Society link, and compose a short essay. We discussed the need for a judging committee. Chris Wendt volunteered to be part of this committee.
 - d. We are looking for new officer nominations to take over as President or Treasurer, to start in January 2014. I will be sending an e-mail, that includes an attachment, with a list of officer duties, to a representative of all of the local facilities.
 - e. Kevin Lawrence gave us an update on State Convention, that will be coming up in April, here in Sioux Falls. We discussed wanting to promote the social networking aspect of coming to convention in addition to the continuing education benefit of this.
 - f. A motion was made, and seconded by Sharon Wartenbee, for the Siouxland Society to pay 4 SDSRT member's registration to the 2014 Convention. To be eligible to win one of the 4 registrations, a technologist must be available to attend Convention on April 24th – 26th, 2014, attend at least 2 upcoming society meetings, be a paid member of the SDSRT and not be eligible for the facility where you work to pay for your registration. The drawing will be held at the March society meeting.

Additional Information
Special notes: Next Society Meeting will be held in January at Avera McKennan Hospital
