## Agenda

Introduction

Issues & Suggestions

- 1) Approve Minutes from last meeting –approved as printed on the Siouxlnd Website
  - 2) Old Business
    - a. A committee of 3 technologists (Cheryl Steen, Erin Hoffman & I) reviewed all 15 Student Scholarship applications and the winners are: From Sanford Health – Ben Davis / from Avera McKennan – Alyssa Klein Their references were very good. We thought their Essays were thoughtful and we liked that they were both involved in the local, state and/or national society.
    - b. Checks for \$500 were presented to Ben and Alyssa
  - 3) New Business
    - a. ASRT did an audit of our local society and Mitzi was able to provide the documentation showing that we are in compliance.
    - b. Names were drawn to pay the registration fee to the SDSRT Annual Conference in Watertown on 19th – 21st April. The rules state that Siouxlnd will provide registration if you are an SDSRT member and your facility does not pay for registration. The first 3 names drawn were SMC employees and that facility is providing registration. The next name drawn was Judy Reshetar, but when she was contacted, she is unable to attend. The next name drawn was Renee Langin for BHI—congratulations Renee!
    - c. We wish our members going to RT in DC next week safe travels and successful legislative meetings  
Alyssa (SDSRT student intern) gave us a run-down on their itinerary and appointments.
    - d. There will be no Fall Seminar in 2012.
    - e. Next Siouxlnd Society Meeting is planned for October and Avera McKennan is scheduled to host.
- Meeting was adjourned at 8:20PM
