Radiologic Technology

Reason for Being involved in the SDSRT:

I am a firm believer of life-long learning  
and giving back to my profession. The SDSRT  
has helped me grow professionally through the  
research needed to develop scientific exhibits  
and by attending conferences. By being actively  
involved with the SDSRT, I have created an  
amazing network of imaging friends.

Before signing this application, you should have your employer's endorsement to devote the necessary time to perform the duties assigned to you by the Board of Directors.
